WATERBOY

THE ONLY PURPOSE BUILT PORTABLE HORSEWASH

CLEAN, REFRESH AND WATER YOUR HORSE WHEREVER YOU ARE...

BENEFITS

- ◆ A clean, cool horse is a happy, healthy horse.
- ◆ Drinking water on tap anytime, anywhere, especially important in hot weather.
- ◆ Wash your horse when he is warm – it's easier and more effective.
- ◆ Cool and revitalise hard working tendons and muscles.
- ◆ Focused, controlled power is soft enough for faces but easily removes dried on Stay Sound.
- ◆ Stimulate and speed up recovery by increasing circulation. Increased blood flow carries more lactic acid from the tired muscles aiding rapid recovery from hard or prolonged work.
- ◆ Focused, constant streams of cool water reduces your horses temperature more quickly than unfocused buckets of water, getting you back in competition quickly.
- ◆ Throw in a bag of ice and ease away your horses soreness immediately after work or trauma.

- ◆ Wash mud and grime from your tack and equipment when it is fresh and easily removed leaving a lot less work for tomorrow.
- ◆ Your clean, fresh horse arrives home ready for bed leaving you more time to work on your own recovery.
- ◆ Finish up by washing out your trailer.
